REMARKS

The amendments and remarks presented herein are believed to be fully responsive to the recent Office Action. Reconsideration is requested.

Disposition of Claims.

Claims 62-196 are pending in the application.

Double Patenting.

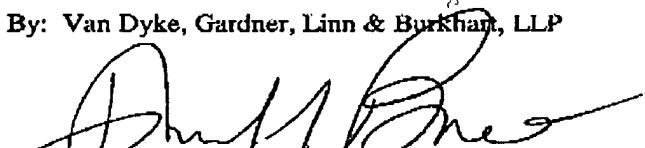

Claims 62-196 were rejected on the grounds of non-statutory obviousness-type double-patenting as being unpatentable over claims 1-115 of United States Patent No. 6,678,614. Enclosed herewith is a Terminal Disclaimer with respect to the '614 patent. Please charge the Terminal Disclaimer fee due to Deposit Account No. 22-0190. Accordingly, the basis for the obviousness-type double-patenting rejection has been overcome. Withdrawal of the rejection is requested.

Passage of the application to issuance is earnestly solicited.

Respectfully submitted,

KEVIN C. MCCARTHY,
EUGENIE V. UHLMANN and
NIALL R. LYNNAM
